The First Responder Class taught by Dr. Glen Koby has ended with 4 students from Coffee Creek, 6 students from Trinity Center and 1 student from Lewiston successfully, and proudly passing the exam to become certified First Responders. The graduation for these students will be December 20th at 6:00 p.m. at the Coffee Creek Volunteer Fire Department. We would like to thank Dr. Koby, TCVFD Assistant Fire Chief, Roger Chatterton and the EMT's from CCFVD and TCVFD for all their hard work in teaching the course, and a special thank-you to Sue Chatterton who spent many hours organizing the class, logging test scores, and copying and distributing class materials.

As Bill De Wolfe stated in last weeks column, the Trinity Center School's Pancake Breakfast and Christmas tree sale was a success. The students and the members would like to express their gratitude and thanks for the community's support, and the Sasquatch Restaurant for once again hosting yet another school fund raiser.

Due to bad weather, the Christmas tree sales were very low and there are still about 40 beautiful trees left. Any of these trees, no matter how tall, can be yours for \$25.00. Christmas tree chairman, Tina Wood, said the trees are the best they have had in a long time, and are a variety of types including silver tipped firs. The trees can be purchased at the Trinity Center School during the week from 8 a.m. to 4 p.m. If you cannot make it during that time slot, you may call Tina at 266-3688 and she will meet you at the school and help you with your selection.

Eleanor Scott just purchased a "new-to-her" car last week, complete with a set of new tires, and was driving it home for the first time, going about 45 to 50 miles an hour on 299 just before the Lewiston turn off, when a big buck dashed out in front of her car. She said it happened so fast there was no time to stop, and we know what kind of damage a deer can do to your car. Eleanor said the deer was lying at the side of the road when she drove on, but was not there the next day. So either the deer was not hurt too badly, or someone has some deer steak in their freezer.

It seems like Eleanor has a special beacon on her cars that transmits a signal to deer and bear. She has hit 3 bear and 4 deer driving to and from work at the hospital in Redding.

The Trinity Center School will be presenting its Christmas play, "Twas One Crazy Night before Christmas", directed by Mary Hanson, at the IOOF Hall, Wednesday, December the 13th. The musical will feature students from K-8th grades. There will be two performances; one at 10:30 a.m. and then again at 6:30 p.m.

The Trinity Center Community Church invites you to their Pot-luck dinners on the 2nd and 4th Sunday of the Month. Bobby Lucas said they are excited that the new pulpit and communion table has arrived.
