

North Forty
July 7, 2009
Kelli Gant kgant@tds.net

It was great seeing the North Lake area buzzing with locals and vacationers over the Independence Day holiday. We always enjoy the impromptu parade on the 4th that wanders through Trinity Center and then meeting new people as they walk around our communities. Even with boat launching restricted to Minersville, we saw several waterski boats on the lake. There were also many jet skis since they can be launched almost anywhere.

Congratulations to Kim and Robert Mazzei on their marriage. Your friends in Trinity wish you years of happiness and fun.

Join Bernie for karaoke at the Trinity Lake KOA pavilion. Show your talent and practice your singing! Friday nights from 7:00 to 10:00pm until September 4.

On Wednesdays and Saturdays until September 3, test your luck at the Trinity Lake Lions Bingo nights. This event is also held at the KOA Pavilion from 8:00-10:00pm. This is a fundraiser sponsored by the Lions Club. The cost is \$4 per card. Kids are welcome when accompanied by an adult over 18 years old. Winnings are based on sales for the evening.

The next North Trinity Lake Garden Club meeting is on Tuesday July 14 at 1:00 p.m. This meeting is the annual plant exchange at Olga and Ernie Darlings home in Coffee Creek. Carol Fall will be a guest speaker—her topic is “Bats.” Everyone is invited. Please call Charlotte Scott 286-2810 for more information.

Don't forget the Trinity Center Library Ice Cream Social on Wednesday, July 22. This is a fundraising event for the library.

Looking for a change of pace on your daily walk? Have you tried the airport trail? The first phase of a formal walking trail around the airport was cut in when the new Trinity Center Airport fence was being installed. The trail is currently “primitive,” so wear sturdy walking shoes. The view from the trails is great and the walk is very peaceful. To access the trail, walk down The Point access road to the trailhead just past the green aircraft hangars. You can walk past the vehicle gate and traverse the entire length of the runway to the south end. The trail currently does not connect back into the town so you will have to backtrack and enjoy views of Billy's Peak and Bonanza King. Someday we hope to have an ADA trail loop, sitting/mediation benches, and a parking area. The North Lake Trail committee is looking for an enthusiastic chairman to move the trail project along and help apply for grants. If you are interested in serving as chairman, please contact Judy Pflueger.

Remember that the TCVFD is looking for donated items for its second biannual Auxiliary Yard Sale. The yard sale is held in conjunction with the TCVFD Open House on Saturday September 5. Pick up of your donated items is available or arrange for drop off. Call Robin Reilly at home 266-3302 and leave a message or call her cell 227-1725.

Keep up with local activities on the North Trinity Lake website calendar: www.northtrinitylake.com.
