

North Forty 2/17/10
by Kelli Gant

Don't forget to attend the third and final Annexation Town Hall Meeting tomorrow night -- Thursday Feb. 18 -- at the IOOF Hall starting at 6:30pm. Learn about the progress of the Trinity Center Community Service District's annexation project. The proposal is to annex property south of Trinity Center into the CSD. A map of the proposed annex area and a list of Frequently Asked Questions can be found on the NorthTrinityLake.com. This meeting is a chance to give your input and get answers to your questions.

Brian Bogdanich, Trinity Lake Lions President, thanks the entire North Lake community for supporting the Trinity Lake Lions-Helping-Lions pancake breakfast. With your support, our communities raised over \$1,725 for the Eureka Lions Club Earthquake Relief fund. And, "Thank You" to all the wonderful Lions members that helped put on this breakfast.

Brian also extends a special "Thanks" to the people that went the "extra mile" to help: Glen and Cindi Ahmann, Greg and Debbie Amoss, Bob and Annie Bryant, Christine Estabrook, Mike McHugh and Kelli Gant, Steve and Cheryl Mogensen, Jerry Meyer, Steve Renton, Ken and Diane Rieke, Jim Taylor, and Weaverville Lions. Also "Thanks" to our local businesses, Coffee Creek Country Store and Jaktri Market, for supplying all the food and supplies at a great price.

Now, let's make the jump from flipping pancakes to FireSafe... Thank you to Alex Cousins, Pat Frost, and Nadia for a very informative and productive fuel reduction meeting for Coffee Creek residents. Residents identified 18 projects that would be of the greatest benefit to the Coffee Creek Community in the event of a major fire. Thank you to Coffee Creek Church for the use of their community center. It is a wonderful and easy place to hold a meeting or event.

The Trinity Center FireSafe meeting will be Tuesday, March 2 after the TCCSD meeting. The CSD meeting, at the IOOF Hall, starts at 6:30pm. Find out how you can get help making your property fire defensible.

On February 25 at the IOOF Hall, the public is invited to enjoy a presentation by Trinity County Historical Society. This program, hosted by the Trinity Lake Lions, presents Society members Jim French and Bill Horstman who will tell us about the history of the Dorleska Mine. This mine is located approximately seven miles from Coffee Creek Rd. and the Union Creek Trailhead. This presentation promises to be an interesting and historical event. Contact Cindi @ 266-3504 or Cheryl @ 266- 3216 for details and reservations.

And, looking a little more forward, mark your calendar for the Trinity Lake Lions' First Annual "Spaghetti Sauce Cook Off" with an all-you-can-eat pasta dinner. Sauces will be judged by a group of renowned judges. This will be a fun event, so hold the date -- April 10, 2010 at the IOOF Hall in Trinity Center. More event details will be announced soon.

Remember to read NorthTrinityLake.com for the latest North Lake news and to keep up with the raging battle by San Joaquin Valley water contractors to take even more Trinity Lake water.
